mittee---Former Chief Forester on Stand.

Washington, D. C., March 1.—The expected clash between Gifford Pinchot and Secretary of Agriculture Wilson wort the disputed question as to whether or not the secretary had given the former forester permission to write to Senator Dolliver the letter which resulted in Mr. Pinchots dismissal, came to-day before the Ballinger-Pinchot investigating committee.

Mr. Pinchot declared he had discussed the matter at length with Secretary Wilson, and that he understood his superior officer had given him express permission to write to Senator Dolliver.

Secretary Wilson immediately took the stand, and asserted that while he had given Mr. Pinchot permission to write to Senator Dolliver concerning "departmental affairs," he never did and never would have given his permission to write a letter criticizing the President of the United States.

Under a cross-examination, almost wholly by the Democratic members of the committeen were referring to in their rapid fire of questions. The secretary reterated again and again that he never saw or heard of the letter Mr. Pinchot worde until it was read in the Senate, Secretary Wilson, who holds all results of the considered was not justified. He deconsidered was not justified. He deconsider TOP DESK, HORSE, WAGON, HARNESS, ETC.

By virtue of a certain deed of trust bearing date the 25th day of February, 1910, and duly recorded in the Chancery Court of the city of Richmond, I shall sell, on the premises, in rear of No. 404 West Broad Street, THURSDAY, MARCH 3, at 3 o'clock P.
